The Terry Towel Expo and Summit

According to rich Indian mythology Lord Markandeya is known as the first weaver since human evolution who has woven the first saree (women's garment) and gifted it to Goddess Lakshimidevi. Following this culture the Telugu weaving community with Lord Markandeya's grace is traditionally involved in textile business.

Vibrant Terry Towel Global Expo and Summit 2019 will showcase a variety of towels along with unique jacquard woven Terry Towels and other bath linen products to forge business linkages worldwide.

This expo will bring together all stakeholders from "yarn to fabric" viz cotton growers, manufacturers, traders, exporters and importers both domestic and international and consumers to an unique platform to harness export opportunities of towel manufacturers for their foray into national and international markets.

Global buyers from towels and bath linen sector will gather at Vibrant Terry Towel Global Expo and Summit 2019 and meet shortlisted Maharashtra suppliers to negotiate their forthcoming procurement deals and private labels.

The summit on various industry relevant topics with domestic and global speakers from towels and bath linen sector would enlighten the participants with the latest technological developments / innovations in towels and bath linen sector which will enable participants to find solutions for the challenges faced by towels and bath linen sector.

Uniqueness of Vibrant Terry Towel Global Expo and Summit 2019

It is said that "Recession is the right time for explore new areas to do business, innovating new avenues for business and establishing new clients while strengthening existing business." The main objective of organizing Vibrant Terry Towel Global Expo and Summit 2019 is to reduce the gap between manufacturers and buyers/ consumers by diminishing the role of middlemen.

Objectives

- Providing an unique platform where manufacturers and buyers can interact directly with each other
- Providing knowledge of various types of towel and related product markets while establishing direct networking opportunities with domestic and international markets.
- Encourage quality manufacturers to develop unique products that satisfy exports market.

Advantages for the visitors

- Opportunity to establish direct contact with actual manufacturers of towels and other bath linen products.
- Customized product developments as per requirements
- Scope for dealing with power loom owners consortia for launching new products/ features in towels and related towel products
- Business visitors such as importers, buyers and institutional clients can increase their market share by linking with a wide range of towels and related towel products manufacturers.

Contribution of Solapur in Indian Towel Industry

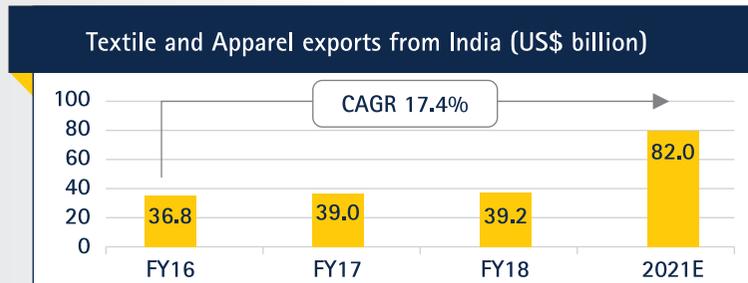

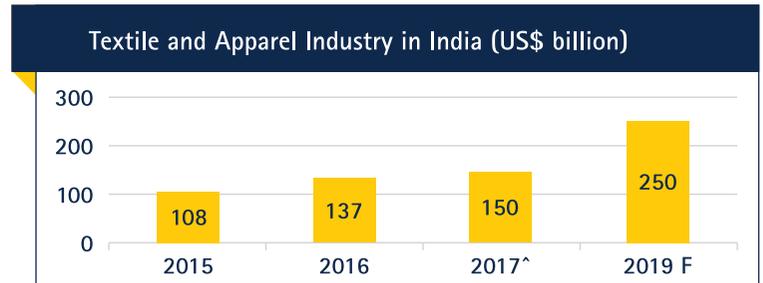

- Solapur renowned as "The Towel City of India" for its crafty terry towels and bath linen with wide ranges of colorful terry towels being manufactured at reasonable costs.
- Also known as one of the 'Manchester of India' owing to its thriving cotton textiles industry, Solapur possesses a rich blend of cultures, interesting mythology and a thriving cottage and small scale industry base that deals with the agricultural produce of the region.
- With its unique designs, Solapur's terry towels and bath linen are a protected and recognized Geographical Indication under the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS).
- Specialised in working for small batch size with maximum varieties.

redefining the future

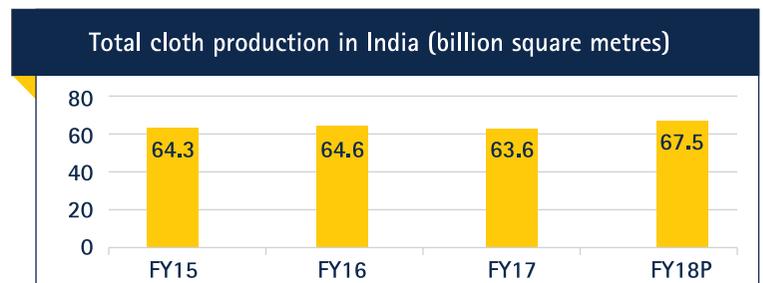

Competitive Advantage Of Indian Textiles Industry

- Rising per capita income, favourable demographics and a shift in preference to branded products to boost demand.
- The domestic textile industry in India is projected to reach US\$ 250 billion by 2019 from US\$ 150 billion in November 2017.

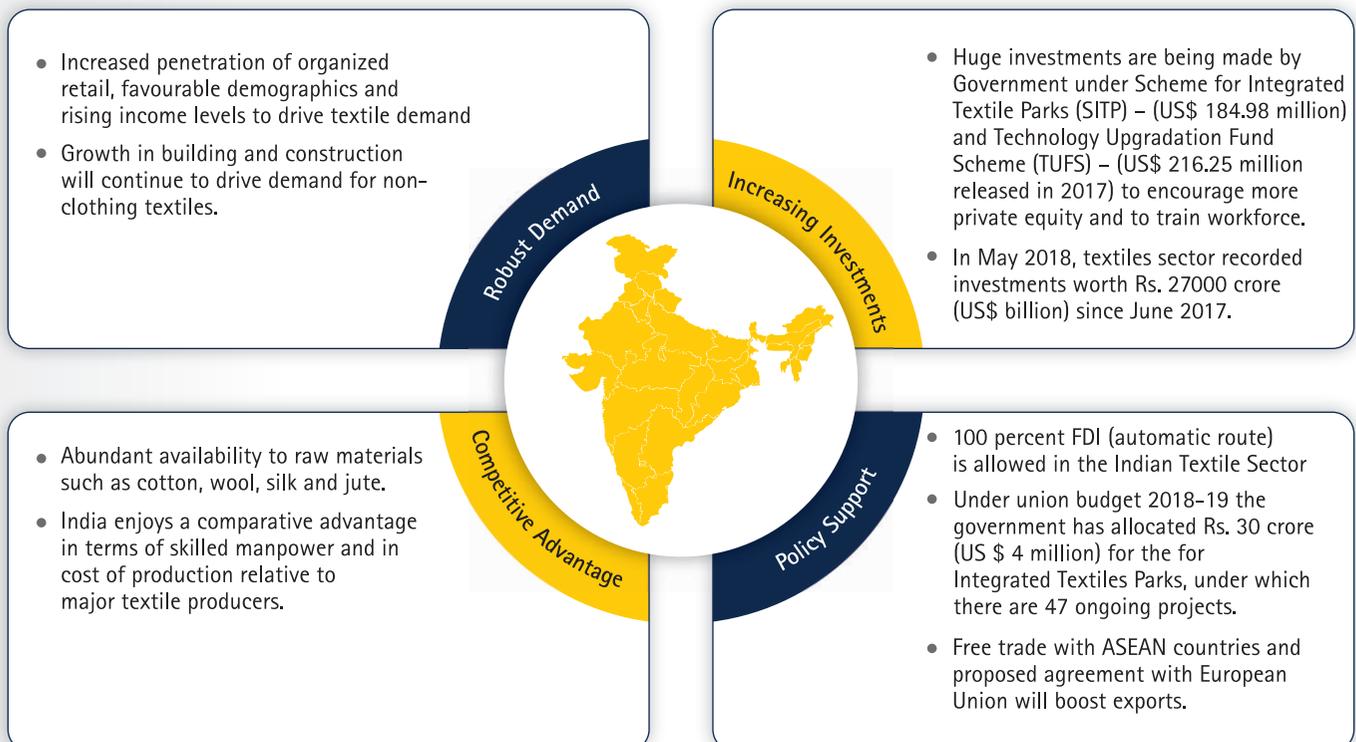

- Favourable trade policies and superior quality will drive textile exports.
- India's textile and apparel exports stood at US\$ 39.2 billion in FY18 and is expected to increase to US\$ 82 billion by 2021.

- Increase in domestic demand set to boost cloth production
- Cloth production FY2018 at 67.45 billion square meters

Foreign Mission Partners

International Roadshow Partners

Places to visit in Solapur

Akkalkot Swami Samarth Maharaj Temple: Akkalkot is the holy abode to Shri Swami Samarth Maharaj, a 19th century saint who is believed to be an incarnation of Lord Dattatreya. This architectural marvel houses a banyan tree whose shade was believed to be the meditation spot of the Swami. After living for two decades, the saint left for eternal sleep and today his tomb and shrine are located in the temple complex.

Shri Siddheshwar Temple : Siddheshwar Temple of Solapur is abode of Lord Siddheshwar who represents both Lord Shiva and Lord Vishnu, placed in the middle of Siddheshwar lake. The great wall of temple adds a feature of fort to the temple campus. It is said that Shri Siddharameshwar, who was a yogi and devotee of Shri Mallikarjuna of Srisailam, had built this amazing temple.

Rukmini Vitthal Mandir : Rukmini Vitthal Mandir, which is another main attraction of Solapur. The lofty walls and massive towers of this temple are considered as a landmark that signifies the importance of this shrine. Rukmini Mandir is located on the banks of Chandra Bhaga River. The other common name of this temple is Panduranga Temple.

Bhuikot Fort : Bhuikot Fort is a landmark of Solapur town and footmark of Bahamani dynasty. The fort was built during 14th century by Bahamani Sultan. The great fort is still standing in royal posture. Accompanied by the lake and the temple, the fort is an amazing place of tourist attraction.

Indra Bhawan : It was constructed and established a century back in 1907. It was setup by the Late Shri Appasaheb Varsad. The building is a three storey structure that is currently managed by the Solapur Municipal Corporation.

INVITATION

We extend a warm welcome to participate in this expo for tangible business opportunities by booking stalls immediately. For stall booking visit www.vibrantterrytowel.com

Delegates to visit Expo From 24 Countries :
