KPM Global Technologies Offers 10% discount to NICCT Members, Sponsors & Partners on IT Services.

KPM Global Technologies is a leading IT solution & services company in Netherlands. As businesses and corporates realise the value of Information Technology; IT has become a necessary component for any business. It not only allows businesses to reach wider audiences, but also enhances visibility and creates brand recognition.

KPM Global Technologies has provided IT solutions & services to a large number of companies in Netherlands; towards development of professional websites, e-commerce portals/online shops, mobile applications, digital marketing (on LinkedIn, Google, Facebook etc.) & SEO services, IT services outsourcing and cloud hosting solutions. We are a one-stop IT service company; to meet, businesses key IT-related requirements.

We are offering 10% discount to NICCT Members, Sponsors & Partners on our following services:

- 1) **Website Design & Development**
- 2) **Development of Ecommerce Portals/Online Shops**
- 3) **Mobile Apps Development on IOs & Android**
- 4) **Digital Media Marketing (on LinkedIn, Google, Facebook etc.) & SEO services**
- 5) **IT Outsourcing services**

KPM Global Technologies provides innovative and creative IT solutions; that can be customised, according to the clients' needs. Our developed, cloud- based IT solutions are scalable; so as businesses grow and expand, while focused on their core service offerings; the solutions offered can grow with the business. Our experienced team, understands and uses the best quality standards; to help businesses grow. This is achieved by providing easy-to-use solutions; that increase the targeted traffic to the specific websites/e-commerce portals.

Please find enclosed our digital flyer; along with the letter, for your reference. More details on our offerings and case studies related to delivered projects are available on our website www.kpmglobaltech.com.

Best Regards
