THE FAIR

INDIA ART FAIR

28 APR — 1 MAY 2022

India Art Fair is the leading platform to discover modern and contemporary art from South Asia.

Taking place annually in India's capital, New Delhi, the fair celebrates modern-day South Asia, combining cutting-edge contemporary visual art with modern masters and traditional art forms.

Always positioning art and the artist's voice at its core, the fair's programme draws together galleries and institutions; private foundations and arts charities; artists' collectives and national museums; and, cultural

events and festivals, enabling local and international audiences to engage in innovative ways with the cultural history and development of the region.

The fair is committed to supporting arts education and professional development opportunities and runs a year-round programme of events, including education initiatives, artist commissions and pop-up programmes, aiming to increase audiences for the arts within India.
