

International Conference on CHEMICALS & PETROCHEMICALS

SUSTAINABLE TRANSITIONS THROUGH GREENTECH & DIGITALIZATION

24 May
2023

Hyatt Regency
New Delhi

**BLOCK
YOUR
DATE**

The conference is expected to strengthen synergy and collaboration among B20 members to encourage transfer and adoption of best safety & sustainability practices and enhance their manufacturing capacity & capability.

Target Audience

Policy
Makers

Government &
Public Sector
Undertaking

Chemical &
Petrochemical
Manufacturing
Companies

Academic
Institutes

Research &
Technology
Development
Institutes

Regulatory
agencies

Key Attraction

Aligning G20 members vision towards building a conducive ecosystem for sustainability driven chemical growth

Strategic deliberations in the area of decarbonization, circular economy, energy-efficient processes and renewable energy

Identification of innovative digital technology to encourage capacity & capability development
