10th VIBRANT GUJARAT
GLOBAL SUMMIT 2024

The Continuing Saga of Vibrant Gujarat

Unprecedented in History | Unparalleled in Impact | Unsurpassed in Excellence | Unmatched in Brilliance

Conceptualised in 2003 under the visionary guidance of Shri Narendra Modi, Hon'ble Prime Minister of India (the then Hon'ble Chief Minister of Gujarat), **Vibrant Gujarat Global Summit** has today evolved as one of the most **reputed global forums** for **business networking, knowledge sharing** and **strategic partnerships** for **inclusive growth** and **sustainable development**.

With an **all-round positive socio-economic impact** on the State, the Vibrant Gujarat Summits have brought tremendous benefits which have manifested themselves in the **increase in Per Capita Income, Growth of GDP** and **Augmentation of Physical and Social Infrastructure of the State**.

While we celebrate 20 years of Vibrant Gujarat as the Summit of Success, the **upcoming Tenth Edition of the Summit (the first one in Amrit Kaal)** is all set to enable the State to realise its fullest potential and contribute proactively to the attainment of **Viksit Bharat @ 2047**.

Carrying forward the rich tradition of innovation, collaboration and mutually-beneficial partnerships impacting all spheres of human endeavour so as to effectively address the priorities, concerns and challenges of the contemporary world, **Gujarat is all set to become a Gateway to the Future**. The State warmly invites all the Pro-Planet People, States and the Nations to join hands towards the realisation of the much-cherished pursuit of the **greater all-round progress and prosperity of the Mankind**.

“ It has been 20 years since the beginning of the Vibrant Gujarat Summit. In these two decades, this initiative has been a trailblazer and trendsetter. It showed that thinking big is the first step of making a big impact. It showed how a State of India could institutionalize a way to connect Indian and international investors with the aspirations of our youth. It also set a national benchmark which many States successfully emulated, thus strengthening the Indian economy. As always, Vibrant Gujarat Summit continues to achieve new heights with the vision of a prosperous Gujarat for a self-reliant India. ”
