About Tec-Verse

Tec-Verse 2026 is a technology showcase and innovation-convergence platform bringing together research, engineering, advanced computing, electronic materials and applied technology. Organized by the Three Scientific Societies : C-DAC, SAMEER and C-MET under the guidance of the Ministry of Electronics and Information Technology (MeitY), Government of India, the event will present technologies, research outcomes and application-oriented developments with the potential to address national, industrial and societal needs.

The event connects technology with real-world applications, future development, and opportunities for research-to-market deployment.

Thematic Areas

- Exascale Computing
- Photonics
- Nano Materials
- Artificial Intelligence (AI)
- Microwave & Antenna
- Additive Manufacturing and Electronic Packaging
- Next-Gen Cybersecurity
- Radar systems, 5G, 6G Technologies
- Energy Generation and Storage
- Internet of Things (IoT)
- Millimeter-wave Technologies
- Semiconductors and Critical Materials
- Quantum Computing
- Indigenous Medical Systems
- Other Emerging Technologies

Why This Technology Showcase Matters to Your Department

Discover the indigenous technologies, research innovations, products and services developed by C-DAC, SAMEER and C-MET, showcased for potential applications across government, industry and society.

Discover indigenous technologies

Access cutting-edge research outcomes and emerging technologies developed in India to address real-world needs.

Identify relevant applications for departmental challenges

Find technology solutions and innovation, relevant to your sectoral mandates and programs.

Connect with technical institutions and R&D teams

Engage with leading technical institutions, labs, startups and R&D teams working on mission-oriented technologies.

Explore potential Joint R&D, ToT, plots & product development

Identify opportunities for collaboration, co-development, and technology adoption to accelerate impact.

Exchange knowledge through sessions and demonstrations

Participate in expert sessions, tutorials and live demonstrations to build domain and technology insights.

Driving self-reliance and Viksit Bharat.

Align with national priorities by enabling self-reliance, innovation-led growth and sustainable development.

PROGRAMME AT A GLANCE

- Technical sessions and expert talks
- Technology demonstrations and exhibitions
- Tutorials and fireside chats
- Live Experience Zone
- Industry-academia interaction
- Networking with Experts
- Collaboration discussions
- MoU/MoA/ToT signing and product launches

26–27 NOVEMBER 2026

CHENNAI TRADE CENTRE, NANDAMBAKKAM, CHENNAI

Connect. Collaborate. Innovate.

Join us at Tec-verse to foster collaboration & transform ideas to real world solutions

26-27 November 2026

Chennai Trade Centre
Nandambakkam, Chennai
